Work to be done: Web Page

- incorporate more info about the journal,**
- include publication alerts,**
- an electronic form whereby interested people can register to review papers,**
- a blog, listserv (or something) for anthropologists and others to engage in conversations about anthropology in Canada,**
- a Style guide for Culture & Anthropologica Information about procedures for conducting ethnographic research in Canada (professional, practicing, ethnographic concerns, new publications, textbooks...),**
- list of anthropology and related departments in Canada**

Work to be Done: Journal

- **Researching on-line publishing**
- **Reaching out to Canadian Anthropologists**
- **Consider**
 - **Enlarging each edition**
 - **More individual papers**
 - **More special features (poem, editorial overview, pictures...)**
